Dear Dr. Land:

I have received and reviewed all of the materials sent to me by Lorita Rebellato-De Vente, PhD, MS, D(ABHI), your ASHI Commissioner. I am in concurrence with the recommendations of your Commissioner that your laboratory has successfully demonstrated compliance with all mandatory ASHI Standards.

On the basis of the recommendations from your Commissioner, the Histocompatibility Testing Services of the Blood Systems Laboratories, 10-6-AZ-02-1, under the direction of Geoffrey A. Land, PhD, HCLD is granted accreditation for the following:

Areas of Accreditation:

HSC/BM Transplantation: Related Donor
HSC/BM Transplantation: Unrelated Donor
Solid Organ Transplantation: Live Donor
Solid Organ Transplantation: Deceased Donor
Histocompatibility Testing For Other Clinical Purposes
Transfusion Support

Categories & Systems:

HLA Typing Class I: Molecular	HLA Antibody Detection: Solid phase
HLA Typing Class II: Molecular	HLA Antibody Identification: Solid phase
Crossmatching :Flow Cytometry	Other Testing: Chimerism/Engraftment Monitoring STR

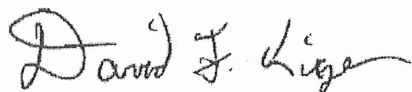

Accreditation for the above areas of accreditation, categories, and systems will be valid until 04/30/2019, pending successful completion of an onsite inspection cycle next year.

Your laboratory is accredited by ASHI for the following CMS subspecialties: Histocompatibility Testing and General Immunology Testing.

You and your laboratory staff are to be commended for maintaining ASHI's high standards for laboratory performance and patient service.

Should you have any questions about the inspection or accreditation process, please contact the appropriate commissioner or the ASHI Accreditation Office at (651) 202-3637.

Sincerely,

A handwritten signature in cursive script that reads "David J. Kiger".
